

So you want to come to THE PROM? Awesome! Here's how it works ...

- ▲ **This unique, interactive theatrical experience is more fun with a group, so bring your friends!** It's perfect for bachelorette parties, birthdays, girls' night out, and more!
- ▲ **While not required, we encourage everyone to sport your favorite '80s fashion!** So come dressed to the nines in your pastel tux or taffeta gown ... or dig your Members Only or varsity jacket out of storage, slide on some legwarmers, tease up your hair and apply blue eye shadow ... or simply come as your favorite '80s icon, from Ronald Reagan to Miami Vice ... whatever you wear, just have fun with it!
- ▲ **We strongly recommend reservations be made at least 48 hours in advance.** Preparing for a prom takes time, and we want to make sure we have everything ready for you on the big day. Check-in will be available under the marquee 30 minutes prior to the performance. You will receive a stamp on your hand in lieu of a ticket and get to meet The Heathers, Joshua "Beef" Beefarowski, Dickie Harrington and other characters while you wait (bleacher seating will be available). At this time, IDs will be checked and wristbands issued to those who plan to partake of our pop-up bar.
- ▲ **Seating for this production is general admission.** Groups will be ushered in 5 minutes prior to curtain for our pre-PROM activities: complimentary photo booth, participation bags (additional charge), and pop-up bar (additional charge).
- ▲ **Dance the night away!** We encourage everyone to join the party and get up and dance to your favorite hits!
- ▲ **Everyone will have the chance to cast their vote for Prom King and Queen!** With a different set of winners every night, the outcome is totally up to you. While there are only a certain amount of nominees, we do allow a write-in vote. So bring enough friends, or convince enough audience members to vote for you, and you could be wearing that crown!
- ▲ **This show is appropriate for most audiences.** If you are comfortable with the younger members of your party watching any typical teen movie (*The Breakfast Club*, *Sixteen Candles*, etc.), then you shouldn't have any problem with the material in the show. The humor is typical high school stuff, filled with silly innuendos, just like all those classic '80s films. However, please be aware alcohol is served at this production.
